2025 CALENDAR

A Message from the President & CEO

Hello and welcome!

We're thrilled to present our annual community calendar, featuring stunning photos captured by residents of Pasco County. Congratulations to all of the winners! Your artistry brings beauty to each month of this calendar, and we thank you for sharing your talent.

At Gulfside, our mission is to provide the highest quality care to our patients and their caregivers. Whether it's through the hands-on work of our clinical team, grief support for families, or fundraising efforts to ensure that financial limitations never prevent access to care, every aspect of our work centers around our patients' well-being.

As we look ahead to 2025, we're focused on growing and expanding patient care across our three premier services: Gulfside Hospice, Gulfside Palliative Care, and Gulfside Home Health. Our Continuum of Care model ensures that patients and caregivers can receive the support they need to remain at home, stay independent, and make the most of each day. No matter what stage of illness or care, once you're part of the Gulfside family, our expert, compassionate team is here for you every step of the way.

We hope you enjoy this calendar and resource guide, and please remember that our dedicated team is always here to serve you whenever needed.

Sincerely,

Linda L. Ward
President & Chief Executive Officer

IN THEIR WORDS:

My father was blessed to have a wonderful team around him to make his last months and days comfortable and dignified. Watching your father slowly pass away is never easy but you - the Angels of Gulfside Hospice - made the entire process a peaceful one. We can't thank you all enough for what you did for us. We are forever grateful.

Our family would like to offer our sincerest thanks and admiration to you. Every person on staff at your facility shared their compassionate soul to help my mother transition into heaven and to assist us with our grieving. You are a wonderful staff and we have such respect for what you folks do every day. You are truly angels in disguise.

Thank you to the entire team both from myself and my family for all you did. Each time one of you came to the house, Jim took great comfort in your attention to his care. He truly felt like he was your only concern. I, too, was comforted and know how much more difficult our last days together would have been without you there holding my hand. God bless all of you.

PATIENT-CENTERED CARE: A GULFSIDE VALUE

At Gulfside, one of our core values is Patient-Centered Care. We are committed to delivering the highest quality care, focused on meeting the unique needs of every patient. This commitment is reflected in our actions every day, not just in words.

We support patients and families facing serious illness, helping them navigate one of life's most challenging times. No patient is ever turned away due to an inability to pay, and we offer free bereavement services to the entire community.

This compassionate care is made possible through the generosity of donors, volunteers, and community partners. You can join this growing community by contributing your time, talent, or financial support. Every gift, no matter the size, makes a difference. To donate or sign up as a volunteer, visit www.gulfside.org today.

Frequently Asked Questions

Where do I receive care from Gulfside Hospice?

Gulfside Hospice's interdisciplinary team will come to you, wherever you call home in Pasco County. Gulfside provides care wherever works best for the patient. While most people prefer staying in their homes, hospice care is also provided in hospitals, nursing homes, assisted living facilities, and our Gulfside Centers for Hospice Care located throughout Pasco County.

Who provides hospice care?

The hospice care team includes board-certified hospice and palliative care physicians, registered nurses, licensed social workers, chaplains, certified nurses aides and volunteers. This complete team provides expertise for medical, emotional and spiritual needs for patients and their families.

How do I know if palliative care is right for me?

Palliative care may be right for you if you are experiencing serious symptoms due to a chronic illness, including but not limited to: cancer, cardiac disease, respiratory disease, kidney failure, Alzheimer's disease, AIDS, amyotrophic lateral sclerosis (ALS), and multiple sclerosis.

Can I receive curative treatment together with non-hospice palliative care?

Absolutely. Your treatment choices are up to you. You can still benefit from getting non-hospice palliative care at the same time as treatment meant to cure you.

Who provides palliative care?

Each patient meets with the team ARNP. Additional services can be provided by nurses and social workers as directed by the patient's customized plan of care.

What does "skilled home health" mean?

Skilled home health services are ordered by a physician. These include physical therapy, occupational therapy or even speech therapy, as well as skilled nursing care. These services are designed to get you back to where you need to be and maintain your independence.

Who can receive services?

Skilled home health services include physical therapy, occupational therapy, speech therapy, and skilled nursing care, designed to help you recover from a surgery, injury or illness. This can include a knee replacement, hip replacement, bone fracture resulting from a fall, and more.

Still have questions? Our team of experts is available 24/7 to assist you at 800-561-4883, or visit [Gulfside.org](https://www.gulfside.org) for more information.
