Pets give us companionship and unconditional love. Our relationships with them are very special. For many of us, our companion animal is a member of the family, and when the bond we share is broken, the resulting sense of loss and grief is as real and sometimes as overwhelming as when we lose a relative or human friend.

The first step in coping with your grief is to acknowledge your feelings. At the Gulfside Hospice Pet Loss Support Group, you can share your feelings with others who are going through a similar experience.

**Gulfside's Pet Loss Support Group
is facilitated by Chaplain Michael Merritt.**
